

Consent to Administer Non-prescription Topical Creams/Ointments

State law prohibits teachers from administering topical creams such as sunblock, diaper cream, and first-aid ointment unless we have parent consent. Please initial the ointments you consent to being used when needed.

- Generic brands are used for all creams.
- Sunblock is only administered by staff in the afternoon extended care.
- When first aid cream is used, you will be notified in a first-aid notice.

I, _____, the parent of _____
(parent name) (child's name)

give permission for Mustard Seed Preschool staff to administer the following as needed:

_____ Sunblock

_____ Diaper Cream (i.e. Desitin, Vaseline)

_____ First Aid Cream (i.e. Neosporin)

_____ None, please do not administer any of the above for any reason.
